Dear Potential Sponsor or Vendor,

I am pleased to announce the 33<sup>rd</sup> annual convention of the American Black Chiropractic Association to be held in historic New Orleans, LA on June 26-28 at the Harrah's Casino Hotel located downtown near the world renowned French Quarters. We would like to invite your company to be a sponsor or vendor during this festive occasion.

In the last 33 years, the ABCA has been instrumental in the encouragement, development, and success of minority chiropractors across the nation. We have been able to provide scholarships to deserving students to help them along the way so they may concentrate a little more on an already stressful school curriculum. We have active Student ABCA (SABCA) chapters throughout chiropractic colleges in the nation which consistently work in their schools and communities to promote chiropractic and diversity.

By displaying your products at ABCA conventions, it allows our doctors and future doctors to become familiar with your products so as they graduate from school and/or continue to advance, they carry the knowledge of using your product, which means a career long relationship between your company, our doctors, and the ABCA. This means a nation wide network for your company to connect.

Over the last few years, the nation's economy has prevented many from having the numbers they would like to have at conventions. So once again this year, this executive board has taken action! We want to touch as many doctors and students as possible, so we have drastically lowered convention early bird registration cost to drive more bodies to an already attractive convention city New Orleans, LA.

I have attached a vendor registration form. There will be numerous times allotted during the convention agenda specifically designed to drive traffic to the vending area. We have attached sponsorship opportunities for you to consider which level you would like to display your company throughout the convention as well as our website if you desire to become more involved with the convention.

You should contact Dr. Micheala Edwards, our Treasurer, at (214) 952-1280 for further information or any questions you may have.

Thank you again for your continued support of the ABCA.

Innately,

Quentin M. Brisco D.C. Convention Chairman
